EDUCATION

Pikes Peak State College — *Student*

August 2016 - May 2021

At PPSC I am studying computer information systems and I am learning how to repair and maintain computers. I am working on my A+ Certification.

The Classical Academy — *Graduate*

August 2016 - May 2021

In high school, I participated in marching band for four years, and theatre for three. I have performed in two musicals and ran the stage lighting for a third as a technical crew member. I completed AP Calculus and AP Physics 1 and 2. Service-oriented endeavors include building construction at a monastery, church landscaping, Boy Scouts of America Eagle Scout requirements, and various volunteer opportunities within a team environment.
